

Dear Patient,

This year marks 42 years that I have had the privilege of caring for the dental needs of our community. When I look back on these many years, I am filled with gratitude for the incredible journey it has been. Caring for you and your families has been one of the greatest honors of my professional life. You have trusted me with your smiles, your health, and often with the care of generations of your families. The relationships and friendships I have made along the way mean more to me than words can express. I will be forever grateful for the privilege of being your dentist.

I am very happy to introduce you to Dr. Behnam Majd. I feel incredibly fortunate to have found someone I truly believe can continue the standard of care that has always been so important to me.

Dr. Majd is an experienced, thoughtful, and detail-oriented dentist who takes great pride in his work. He has practiced for more than seven years and continues his advanced education through the Kois Center, with a focus on comprehensive, evidence-based dentistry. Most importantly, I was impressed by his genuine commitment to his patients and his belief in providing thoughtful, high-quality care.

I am confident that Dr. Majd will carry forward the values and legacy I have built and that you will be in very good hands with him. It gives me great peace of mind—and makes me genuinely happy—to know that I have found someone who shares my commitment to excellent dental care and to building lasting relationships with patients.

While I look forward to spending more time with my family and enjoying being a grandfather, I will remain involved in the practice on a limited basis. Dr. Majd will take on the primary role in caring for you, and we will work closely together during the transition to ensure your care continues seamlessly.

I am also very pleased that our wonderful team will remain in place. The familiar faces you know and trust will continue to be here to support you.

Thank you for allowing me the extraordinary privilege of being your dentist for the past 42 years. It has truly been an amazing journey, and I am deeply grateful for every one of you.

As I begin this next chapter of my life, I do so with a full heart and tremendous gratitude, knowing that you will be in very good hands with Dr. Majd and our wonderful team.

With sincere gratitude and warmest wishes,

Dr. Eric Barajas
